- **High intensity colours with extended colour gamut**
- **Consistent colour density**
- **Fast curing formula**
- **Long term exterior performance with proven resistance to the effects of UV degradation and fading**

Nazdar 7420 series ink offers a true alternative to the OEM ink on a wide selection of printer platforms. These include HP© NUR Tempo I, II & Q; Agfa/Gandinnovations 1224 & 3150; HP© NUR Expedio 3200 & 5000; HP© XP2100, XP5100, FB6100; Durst Rho 160, 205, 600, 800.

Expanded substrate compatibility and improved adhesion will maximise the flexibility of use with difficult flexible and rigid materials. Nazdar 7420 ink offers expanded colour gamut compared with OEM ink sets, so profiling will maximise the available colours.

Outdoor performance matches that of the OEM offering, as with all Nazdar branded solutions.

Allow us to demonstrate the saving available over the OEM product. The ink can be installed quickly and easily with the help of Nazdar certified technicians.

You will find the Nazdar brand buried in the history of nearly every inkjet printer manufacturer currently offering products to the market. Nazdar continues to enjoy the position as a preferred inks manufacturer to a number of OEM partners. As one of the most experienced ink development companies in the world, Nazdar offers more knowledge and R&D expertise than any other ink company.

Nazdar is known for products that push the envelope of colour and performance in the inkjet world. Nazdar continues to develop products that challenge the industry. Nazdar are aware of their customers requirements for products that outperform the colour capabilities of the OEM ink, bringing new life to your printer and to your output.

With the strongest third party warranty, you can take comfort in knowing that Nazdar stands behind every drop of Nazdar digital ink that is supplied with the best warranty in the business.

With the industry's strongest third party warranty, you'll take comfort in knowing that Nazdar stands behind every drop of Nazdar ink that it supplies. Nazdar's warranty states that if Nazdar inks are ever proven responsible for a breakdown of a digital printer, Nazdar will provide reimbursement for the cost required to repair any damage to the ink train.

QPS Ltd proudly offer our Nazdar branded products as the most reliable and technically advanced in the industry.
