NAZDAR 270 Series Digital LED UV Ink For High Resolution Printers

- **Formulated for printers using Epson DX7 & Ricoh GH2220 print heads**
- **Superior adhesion on flexible and rigid substrates**
- **Excellent print head & nozzle performance**
- **High intensity colours with extended colour gamut**
- **Consistent colour density**
- **Fast LED curing formula**
- **Long term exterior performance with proven resistance to the effects of UV degradation and fading**

Nazdar 270 series ink is a true alternative to imported original LED UV ink sets.

Formulated to run at ambient temperatures through high resolution print heads with a small drop size, such as the Epson DX7 and Ricoh GH2220 print heads

Superb results can be expected from our high performance formulation. Excellent nozzle performance while the low odour formulation ensures a pleasant working environment.

Outdoor performance matches that of the OEM offering, as with all Nazdar branded solutions. Allow us to demonstrate the improved performance available over the OEM product.

You will find the Nazdar brand buried in the history of nearly every inkjet printer manufacturer currently offering products to the market. Nazdar continues to enjoy the position as a preferred inks manufacturer to a number of OEM partners. As one of the most experienced ink development companies in the world, Nazdar offers more knowledge and R&D expertise than any other ink company.

Nazdar is known for products that push the envelope of colour and performance in the inkjet world. Nazdar continues to develop products that challenge the industry. Nazdar are aware of their customers requirements for products that outperform the colour capabilities of the OEM ink, bringing new life to your printer and to your output.

With the industry's strongest third party warranty, you'll take comfort in knowing that Nazdar stands behind every drop of Nazdar ink that it supplies. Nazdar's warranty states that if Nazdar inks are ever proven responsible for a breakdown of a digital printer, Nazdar will provide reimbursement for the cost required to repair any damage to the ink train.

QPS Ltd proudly offer our Nazdar branded products as the most reliable and technically advanced in the industry.
